

Field Department
Financial Secretary

30th December, 1982.

Captain & Mrs. D. Schultz,
Finance Department,
T.H.Q. SYDNEY.

My dear Comrades,

It is with sincere pleasure I inform you of your promotion to the rank of Major and offer you our congratulations and best wishes. The promotion becomes effective as from the 6th January, 1983.

We are grateful to God for the dedication you bring to your responsibilities. While you do not labour for earthly recognition, you can be assured that this promotion comes to you with the appreciation of your leaders and our fullest confidence for the future.

You will want, I know, to make this the occasion for re-dedication to those high and holy purposes which Officership entails. May the blessing of God then, be upon you and may you draw upon the more than adequate grace of God to fit you in heart and mind for every demand.

God's richest blessing!

Yours sincerely,

Ho
