Captain & Mrs. X15

FV

My dear Comrades,

Following the completion of your statutory period of service, and the recommendations of your leaders, I am happy to inform you that as from the 10th January, 1985, you will hold the rank of Major.

This promotion constitutes one of the significant events in Officership. Whilst it is not something that is "worked for" it does nevertheless represent a great deal from our viewpoint, 20 years of faithful and profitable service, for which we are exceedingly grateful, and it also represents the confidence of Salvation Army leadership in you. Whilst we know the quality of your service will not be affected by the promotion, we believe it will give you some satisfaction to be aware of the recognition and acceptance of your service throughout these many years.

It is our prayer that as God has blessed you in the past, He will mightily do so in the future and bring further honour and glory to His name.

My wife joins me in warmest and best wishes. God bless you.

Yours sincerely,

(Harry Read)
COMMISSIONER.

P.S. The enclosed cheque will help with uniform trimmings!
