

Marist Brothers Claims Data

1. On 1 August 2013, the Royal Commission issued a summons to the Marist Brothers (S-NSW-46) seeking details for each claim for compensation or other redress made since 1 January 1980, in respect of an allegation of child sexual abuse by any consecrated Marist Brother or other member of the Marist Brothers within Australia.
2. On 6 September 2013, in response to S-NSW-46, the Marist Brothers produced a data set (the **Marist Brothers Claims Data**).
3. **Table 1** below sets out the following information extracted from the Marist Brothers Claims Data for each of John Chute and Gregory Sutton:
 - a. Number of individuals who have made claims for compensation or other redress since 1 January 1980, in respect of allegations of child sexual abuse by Chute or Sutton (as applicable) (the **complainants**)
 - b. Number of complainants who have received some form of financial payment (either by way of compensation or financial support)
 - c. Number of complainants who have received some form of financial payment as a result of:
 - i. Towards Healing
 - ii. out of court settlement/mediation
 - d. Total amount of payments made in relation to all complainants
 - e. Average amount of payments (of those complainants that have received a payment) for:
 - i. all complainants
 - ii. Towards Healing complainants
 - iii. out of court settlement/mediation complainants
4. **Tables 2 and 3** below set out the following data extracted from the Marist Brothers Claims Data for each individual complainant in relation to Chute and Sutton (respectively):
 - a. Date of alleged abuse
 - b. Location of alleged abuse (i.e. school)
 - c. Total financial support
 - d. Total compensation
 - e. Total payment (financial support plus compensation)
 - f. Whether the complainant went through Towards Healing, out of court settlement or some other process.
