**PROPOSED FORM OF APOLOGY FROM MANNY WAKS TO RABBI
GLICK**

1. During December 2013, I posted certain statements on Tzedek's website and on my personal Facebook page and permitted a third party to post a statement on Tzedek's website, which referred to allegations made against Rabbi Abraham Glick.
2. In particular, I posted certain statements that suggested to some that Rabbi Glick was guilty and permitted a third party to post a statement stating that Rabbi Glick had admitted to the allegations made. I accept that those statements about Rabbi Glick were false and inaccurate, and accept and believe that Rabbi Glick was at all times completely innocent of the allegations made.
3. I unreservedly apologise to Rabbi Glick and his family and retract those statements.
