INSURANCE DECLARATION

We are in the process of negotiating renewal of our Professional Indemnity/Medical Malpractice, Directors' & Officers' Liability and Employment Practices Liability policies.

It is important that any claim known to us or any circumstances *that may result in a claim upon us* be reported to the insurers prior to the expiry of the policy, being 31 March 2000.

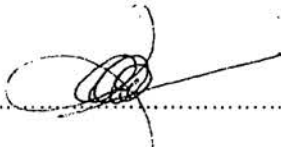

To assist us, please either:

- (a) return this form duly completed; or
- (b) provide written details of any known claims or claims circumstances, prior to 31 March 2000.

Any subsequent claims or circumstances of the type insured against which occur between the date of this declaration and renewal date of the insurance (31 March 2000), must be immediately notified as underwriters may require amended renewal terms. Non-disclosure may also affect the insurance.

"We confirm that there are no known claims or claims circumstances that have not as yet been reported to the General Secretary of the Synod."
