Dear Sir

**Tennis NSW - Noel Callaghan**

We refer to our discussion yesterday afternoon.

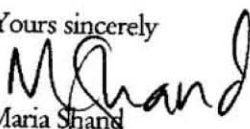

We confirm that our client seeks your client's undertaking that he will not, until further notice, in the course of his duties as State Coach/NSWIS coach be alone with any player or person under 18 years of age. For example he must not travel alone with any player, nor coach alone. He must at all times have another person supervising with him when he is carrying out his duties with persons under 18 years of age. Please confirm your client's agreement to this undertaking in writing as a matter of urgency.

As discussed we have now seen the complainant. Attached is further details about the allegations, from that which we sent to your client on 10 August 1999. We still have further people to investigate and if any further details are provided by them which alters or adds to the allegations we will advise you. We also list (attached) the names of those people who we either have or intend to speak with as part of this investigation.

At this stage we expect to require your client to attend a meeting as part of the investigation either on Monday 30 or Tuesday 31 August in Sydney. We also intend Craig Watson (Chief Executive) and John Whitaker (President) to be present at the meeting. The meeting will probably be held in the offices of Marshall Marks Kennedy, Lawyers at 179 Elizabeth Street, but we will confirm all details with you next week.

We look forward to receipt of the written undertaking referred to in this letter.

Yours sincerely
