Tennis NSW - Noel Callaghan

We refer to our emails yesterday.

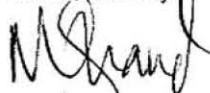

As a result of our investigation there is further evidence relating to the allegations, provided to you on 20 August 1999, for your client to respond to at Monday's meeting.

The additional evidence relates to allegation number 5 which alleges, inter alia, that your client made rude or sexual jokes and sex based comments about and to [BXJ]. The additional evidence relating to this allegation is that Noel makes derogatory comments about [BXJ] and makes rude or sexual jokes or comments on court generally and about [BXJ] specifically. The people who have given this evidence say they have heard and witnessed such comments being made towards [BXJ] and by Noel to them personally.

It is also said that Noel appears to be "harder on [BXJ]" in terms of how he talks to her and treats her on court compared to the other kids. It is also said that Noel refers to [BXJ] as a "tart", or similar terminology, and that he often refers to her as a person who "is always on her back". This has been understood as meaning that Noel is saying [BXJ] is a person who sleeps around. On court it is said that Noel says rude jokes and makes sexual inferences. Sometimes they are passing comments which have a double meaning with a sexual overtone.

In addition to the above evidence, we also enclose the NSWIS Coach Code of Ethics and Code of Conduct for Coaches which we wish to discuss with your client on Monday.

Yours sincerely
