- Jon & I had concerns over [REDACTED] - last yr while she was in State Squad - rapport to NC unusual to other kids
- Jan also wked at Harb'd on Sunday - he expressed concern ~~about~~ about it there as well
- naturally I knew concerns about [REDACTED]
 - how hard NC was on [REDACTED] - an court; comments he'd make about her
 - derog remarks about AJ later time
- NC said to me - like
 - we'd be causing kids at squad - ~~let~~ I say so & to not here yet
 - [REDACTED] & here
 - "she's p'ds on her back sluthere"
 - not normal
- harder on her - an ct; way he acted towards her;
 - J I says all that's to add up now
- NC made about [REDACTED] & [REDACTED]
- NC done that to me & Jan in front of the kids & away from kids; he doesn't hide it
- no one prof. shld talk that way.

- also ~~person~~ other occasions, sim. rem.

- sim. sat of comments made - fairly

- after JI & AT discussed;
- I decide to do nothing until
told me

- JI -
- he applied for posit originally - but & think

- JI & saying this for reason of

- AT, JI, ^{BXD} - compare to get rid of him?
she laughed; I don't want it;
JI & set out to do this - I know his
penalty.
