- Jon & I had concerns over [REDACTED] last yr while she was in State Squad – rapport w NC unusual w other kids
- Jon also wked at [???] on Sunday – he expressed concern about it there as well
- Naturally I knew concerns about [BXJ]
  - o How hard NC was on [BXJ] – on court; comments he’d make about her
  - o Derog remarks about [BXJ] over time

Like

- NC said to me – we’d be counting kids at squad – I say so & so not here yet [BXJ] is here
  - o “she’s prob on her back s/where”
  - o Not normal
- Harder on her – on ct; way he acted towards her; JI says all starts to add up now
- NC made about [BXJ] to JI
- NC done that & me & Jon in front of kids & away from kids; he doesn’t hide it
- No one put [???] talk that way

JI

- He applied for posit originally – but ≠ think be all & end all – can't speak for him
- JI ≠ saying [???] for reasons of
- AT, JI, <sup>BXD</sup> [ ] – conspire and get rid of him? She laughed; I don't want it, JI ≠ set out to do that – I know his loyalty
- <sup>BXD</sup> [ ] n <sup>REDACTED</sup> [ ]? Came back; wldn't think so.
- Find it hard to think; wld go to the extent for him [???]
