Dear Sir / Madam

**Subpoena to Witness to Give Evidence and To Produce Documents
Police - v - Noel Michael CALLAGHAN**

We refer to the above matter in which we received a subpoena to attend as a witness and produce documents.

Since the issuing of the subpoena we have been in contact with Constable REDACTED who has indicated that they no longer require an appearance from a representative of Rigby Cooke.

In relation to the documents sought under subpoena we enclose two packages. One clearly marked "PRIVILEGED", which our client claims are not subject to production on the basis of our client's claim for legal professional privilege. The other package of documents including the following:

1. Tape recordings of interviews;
2. Hand written and typed up statements of interviews;
3. Correspondence file of Rigby Cooke acting for Tennis NSW in relation to the investigation of alleged conduct involving Mr Callaghan.

If you have any queries about these documents please contact the writer.

Yours faithfully

Michael Rowe
