Subject: Proposal for Recommendations

Dear Maria

Sorry for not getting back to you earlier. The Board met last Tuesday to consider your proposal to develop and implement the various matters referred to in your email of 1 October. The Board resolved to put on hold your proposal in the interim to allow me time to meet with Tennis Australia and ascertain their position on these matters and possibly link in with their resources.

I will be looking to do this as a matter of urgency. At this stage do not take this matter any further until such time as i have completed my assignment.

Kind regards

Craig
