Re: Noel Callaghan - Issues Presented by BXJ

To help qualify BXJ's situation and to familiarize her family background and personal achievements we attach the following three statements of comments which have been presented separately:

1. Details of BXJ's coaching/training with Noel Callaghan.
2. Family background - BXJ's achievements.
3. Parents' comments.

Regarding the allegations - you will hear from BXJ personally what has occurred. Again, it is to be noted that we have not as yet sought legal advice or lodged a statement with the authorities (we have checked with D.O.C.S. - this has to be done prior to any legalities proceeding).. BXJ is willing to make such statement. We have not wished to cause her any further stress by pursuing this issue before she had come to terms with the situation for herself.

Sincerely,
