Re: Noel Callaghan

From: BXJ (Parents; BXB & REDACTED)

BXJ has been training with Noel Callaghan since 14½-15 years old in private tennis lessons (conducted at White City) and in his squad groups at White City and Moore Park and also at Harbord T.C. on Sunday mornings. BXJ was also a member of the N.S.W. State Tennis Training Squad during '96 & '97 (she was dropped in '98).

BXJ ceased training with Noel totally in January '98, then aged 17½ years...she expressed this choice at the time!

BXJ attended the following live-in training camps organized by Noel:

Salamander Bay - 1994 (14½ yrs)
Narrabeen Fitness - 1995 (15½ yrs)
Sydney University - Dec. 1997 (17½ yrs)

BXJ also competed in a tournament in Noumea - May 1995 - which was organized and escorted by Noel (fully funded by parents).

Noel was the escorting coach for the squad competing in Darwin in '97 of which BXJ was a member.

During the approx. three year period of coaching/training involvement BXJ had with Noel all training sessions were arranged by BXJ's parents and were paid for by her parents. BXJ at no time was in a sponsored situation. Her private lessons were at times once a week with Noel and sometimes twice, although there were times when he was unavailable for BXJ.

It must be noted that during this three year time frame Noel Callaghan was BXJ's prime tennis coach particularly after she ceased to train with REDACTED (approx. 16 yrs).

From the details listed above it is most evident that BXJ's main source for training and tennis development was through Noel Callaghan from the age of 14½-17½ years.

BXJ
