BXJ

19 years ...earlier years, 8 years of classical ballet, finishing at 13 years, R.A.D. Pre-Elimentar level; 3 years of Little Athletics, Wakehurst Club 3 years Netball, Belrose Club; also to grade 5 in Saxophone exams at the Conservatorium of Music. Involved in school band and dance activities up to Year 10 (REDACTED High School). Finished Yr12 in '97

Brief tennis history: started group classes with Bruce Pryor at Belrose then to A.T.A., Oxford Falls at 10½ yrs where she was quickly put into their training squad. Ross Jones approached us to coach her, but she was very involved with ballet commitments - finally started some private lessons at abt 11 yrs. Continued with Ross until abt. 16 yr Had already started lessons/squads with Noel Callaghan fr.14½-15 yrs. Had abt 6mths training with Vince Barclay (in addition to Noel) with extra hitting there - Macquarie Courts. After that time Noel was her coach until BXJ ceased lessons in Jan. 98. Steve Thompson assisted her for some months until we employed BXD - a very happy choice (although shortlived with her travel plans). BXJ joined her & her family in the Netherlands for 7 weeks (Oct-Nov.'98) training in Amstelpark.

BXJ was trained by Amanda Tobin after BXD left for REDACTED until early 99-- BXJ has not had regular coaching since then...except at Kim Warwick's T.C. on a few occasions. She had been in Kim's squads when northside in her early teens (at Narrabeen Fitness & Terrey Hills).

Also toured with Alan Basford's Australian School Tennis Team to Sth America & Florida - BXJ was unbeate: in singles and was the 1st lucky loser (but did not get to play) at the Eddie Herr International 16 yrs!
