Dear Andrew,

On the trip home we found out from ^{CLC} that the incident Andrew Mansfield mentioned in the meeting, and dealt with in the boarding house between ^{REDACTED} and ^{CLC} was related to the corp camp incident.

∴ parents, as well as the School, was not aware of the incident prior to 13 Aug.
 There was also mention of messages to him on Facebook directly relating to the incident. I am investigating. However ^{CLC} is very reluctant to show me any messages.

^{CLC} also mentioned over lunch that he felt harassed by the incident "24/7".

^{CLC} is gradually disclosing pieces of information.

I will let you know about any additional information that we hear so that all can have a clearer picture.

Regards,
 EAE

It was this failure to make a full and immediate disclosure that contributed to the alleged 'harassment'.
