Dear Greg,

<sup>CLC</sup> is feeling under siege at the moment and has expressed a wish not to speak a school counsellor. We support him at this time so that he is able escape the whirlwind of activity that he feels is surrounding him.

*Same message as sent 3 days earlier.*

I think it would be beneficial for him speak to someone but I want to allow him a chance to breath before he takes that next step.

We did speak to Dr Parry and Andrew about this on Friday afternoon it is unfortunate that you were not present at that meeting.

Please contact me if you wish to discuss.

Regards,  
EAE
