Dear Madam,

Trinity Grammar School - Subpoenas

We refer to your letters of 6th and 7th February 2001.

The School has produced all the documents in its possession or in its control, other than those which the Court handed back on the grounds of confidentiality. These documents did not include any contemporaneous notes made by Ms Kate Pearce in relation to interviews she held with ^{CLA} and ^{CLB}. The School does not have any such notes. As you are probably aware, Ms Pearce is overseas and has been for some time. The School does not know if she made and kept any notes in relation to the interviews you mentioned.

We have been instructed to withdraw the School's application for costs in relation to the subpoenas and have informed the Court of this.

Yours faithfully,
EMIL FORD & CO.
