DATE: 11/8/2000

NAME: REDACTED

HOUSE: School YEAR: ten

INCIDENT:

rumblers
 I was mocking around with REDACTED at about 10 mins into recess
 it wasn't serious but later escalated to the year ten dorm but it was
 still not serious or at least I didn't think so. Someone intervened
 to me as I had walked away to get some water had wearied
 REDACTED and as a consequence ripped his underpants. CLA
 later grabbed CLB and pulled him inside as some
 part events had formed a grade between the two I left
 at that time as I had nothing to do with the act
 I had NOT thought it serious. Later walked in as CLB
 left the year ten dorm he was crying so I followed him
 to see what had happened as he went to his dorm
 and got a length of wood and proceeded to the year ten
 dorm I tried to stop him once he said "go away" so
 I didn't stop him he didn't use the wood only yelled
 at CLA and the others in the dorm. the bell
 for class rang and I left for class.
