11-8-00

Dear Mr Scott,

I am writing this letter to apologise
for my actions & the other boys over the past
while. I realise how stupid & immature it was &
I promise you that it will never happen again. I
feel that it's you that I have to apologise to
because I've let you down the most I
believe, so if it's possible could you forgive me
& the others.

Regards

DFA
