

"The Boarding House"

CHANGE TO ROUTINE

As a result of recent incidents and in order to protect the personal safety and property of all members of the Boarding community, a change of routine, outlined below, will be implemented immediately.

1. The Boarding House will be locked by the MOD after breakfast in the morning. All boys will organise what they need for periods 1-3 **before** breakfast and collect it immediately after breakfast.
2. The House will be opened by the MOD at recess and everything required for periods 4-6 should be collected at this time. The MOD will remain on supervision duty. No food is to be consumed in the dorms or on the landing. The dorms and landing will be closed again at 10.45 am.
3. House meetings will take place on the landing. Tutors will act in a supervisory role at this time. Once the House meeting is concluded books for the afternoon should be collected and boys are to vacate the House either to lunch in the Dining Hall or to afternoon classes. No boy is permitted to remain in the dorms or on the landing after his tutorial period is finished. Lunch must **not** be eaten upstairs. Tutors will lock the House at **1.50 pm**.
4. The MOD will open the House at 3.20 pm and remain on duty. No rumbling is permitted in the dorms or on the landing.
