Dear Old Trinitarian,

It is not my normal practice to correspond with Old Boys regarding School management matters, however, given the recent adverse publicity the School has received in relation to a Boarding House incident, I felt it appropriate to share with you a letter I have distributed to the parents of current boys. Naturally, I have kept in close contact with the Executive of the Old Trinitarians' Union in relation to this matter.

On behalf of the staff and current boys of the School, I would like to express our appreciation to those of you who have already let the School know of your support.

Yours sincerely,

**Milton Cujes**  
**Head Master**
