Dear Friend of Trinity Grammar School,

It is not my normal practice to correspond with the wider School community regarding School management matters, however, given the recent adverse publicity the School has received in relation to a Boarding House incident, I felt it appropriate to share with you a letter I have distributed to the parents of current boys, prospective parents and Old Trinitarians.

On behalf of the staff and current boys of the School, I would like to express our appreciation to those of you who have already been in contact with us to let us know of your continuing support in these difficult times.

Yours sincerely,

Milton Cujes
Head Master
