CLA
re: (formerly Y. RED)

Dear Sir,

I refer to your letter dated 21 November 2000. I apologise that I have not been able to reply until now. However, as Mr EAA and CLA have been away on the School REDAC until recently, I note that nothing will have turned on this.

I again wish to express that we are all suffering from the alleged tragic circumstances concerning CLA. It is a great credit to CLA personally and obviously to his family support to see his ability to focus with his School life since the allegations arose.

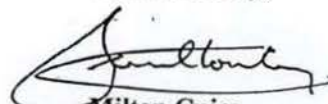

As you are aware, the matter has been investigated by the NSW Department of Community Services and Police. Trinity Grammar is not privy to the contents of such investigations.

Accordingly, I am unable to provide any comment with respect to the alleged incidents, nor a concise explanation and account of how these events have occurred.

Trinity Grammar maintains that it has always had and continues to have in place the necessary measures to take care of the welfare of its students.

I had put in place a counselling regime which I was confident would have assisted the psychological welfare of CLA. In this regard, it is a shame that CLA is now not returning to Trinity. I hope that CLA is able to obtain the appropriate counselling regime from his new School.

Yours sincerely,

Milton Cujes
Head Master
