EAA EAB

REDACTED

Without Prejudice

Dear ^{EAA} ^{EAB}

Thank you for your letter of 12th January informing us that ^{CLA} will no longer be attending the School. I fully appreciate that this decision was not an easy one to take, particularly considering from what I have heard the most enjoyable experience that ^{CLA} had on the recent ^{REDACTED}

Would you please pass on to ^{CLA} my personal thanks for his very positive contributions to the School over the years he has been with us, and wish him all the best in his final two years of secondary education. Would you also mention to him that I would be only too pleased if he would like to keep in touch with me in future. Naturally, ^{CLA} and I have had numerous talks during this past year and previous to that and I have always felt a strong affinity with this fine young man.

Yours sincerely,

Milton Cujes
