Trinity Grammar School

“The School is pleased that the proceedings in this distressing case are now at an end. The boys’ acceptance of responsibility for their unacceptable behaviour is a positive indication for their long-term rehabilitation. Their guilty plea must come as some solace to the victims and their families. Again, I wish to express to the victims and their families how sorry I am for what has occurred. The boys who have today pleaded guilty will not be permitted to return to the School.”
