Dear Del,

**Re: CARTAGE OF OUR PERSONAL EFFECTS
FROM RIVERVIEW TO CABOOLTURE**

Thankyou for your information on this matter.

Our chosen carrier is Whybirds. They will be giving us a quote for cartage on Monday. Our luggage will be well within the 12 cubic metre limit for married officers.

We have requested that our luggage be taken to Caboolture on Wednesday 15th March.

Do you wish to be informed of the actual quote? If we do not hear from you in the meantime, we shall just go ahead with arrangements as they are now.

Kind regards.

Don Schultz
