Dear Mr EF,

I write to let you know your Impact Statement was considered at the recent Personal Injuries Complaints Committee Meeting.

We were very saddened to read of the experiences you described during your time at the Indooroopilly Boys' Home and the impact this has had on your life.

My colleague, Major Chris Witts and I would like to meet with you in the near future to give you opportunity to tell your story in person. We have found face to face meeting very helpful for all concerned.

As soon as I am able to identify a date with Chris, I will be in touch to see if this is suitable with you.

Thank you for being in touch with us.

Kind regards,

Daphne Cox (Major)
