Dear Dr. Kann

Re: Mr. **Raymond**  
**Cardile**

I would like to thank you for agreeing to see Mr. **Raymond**  
**Cardile** for further treatment. In this regard, I wish to confirm that The Salvation Army's Professional Standards Office will pay for the reasonable costs of these consultations.

I am approving a review threshold of 10 sessions for Mr. **Raymond**  
**Cardile**

We seek your co-operation in providing this Office with a brief report at, or after the 9th session and before the 10th session to assist us to review and if necessary approve continuing payments to you for Mr. **Raymon** treatment. I have attached a copy of a report proforma for your information and as an indication of the brief and summary information that assists us to review progress. Please do not feel constrained to use this form although cover of these headings in any report format is very helpful.

We aim to pay you promptly for your services and can make an EFT payment directly into your account. Please provide us with your bank details and payments will be made directly into your account shortly after receipt of the invoice per consultation. Cheque payments take up to 10 days to process and reach you by post and we are able to make payments under this method too.

Please send your bank details and invoice to:
