Dear **Raymo**

I am writing to acknowledge your letter dated 11 July 2011. Thank you for putting your most recent experiences in writing to us. I can only imagine how terribly distressing and difficult this time has been for you and also for your wife **Raymond**

I will be presenting your request for further compensation to our Personal Injuries Complaints Committee meeting on 12 August. I will be in touch with you after that meeting to let you know the outcome.

Yours sincerely
