Daphne.

GH [redacted] has contacted me and said he is working on a statement (5 pages so far) which he will email me, concerning his mental and emotional injuries while at Goulburn Boys Home. His Doctor is also sending him a letter about the severe skin disorder he has. I'm fairly sure this is a nervous disorder due to his time in the Home. When all this arrives, I'll let you have a full report. Is this OK ? or do you want more info now?

regards
Chris
