I had assumed Colin was speaking with PSO to finalise the agreement I sent him (he said he would).

This is critical and urgent.

Can he be contacted to finalise on Monday please?

(Chief - this is directly relevant to our discussions with the Ombudsman)

Is there any update on the proposed Written Agreement for Haggar?

I've not heard anything since the emails from 17 December with Luke ....

Just noting too that although there are gaps in our processes for the implementation of the Written Agreement on officers the usual processes for doing this are not being followed - that is - working with the person of

interest's corps officers to customise the WA and find suitable local support - involving legal (Luke in this instance) in working with the person of interest outside of the corps context ....

What happens now with Pethybridge as he is also a soldier at Congress Hall .... will Luke be involved in implementing his WA??

Messy!!

Colleen
