

5th February 2009

Major X18
REDACTED

Dear Major,

Thank you for your kind letter of 28th January 2009. I am so pleased that the visit of REDAC was of encouragement to you and that you had a good day together.

Please do not be concerned about the cost. This is the very least that we can do after your many many years of faithful service. It is a joy for us to be able to support you during this difficult period of time.

We continue to work with JF and others from the home at Indooroopilly. If the situation changes and we feel that it would be helpful for you to meet with JF, we will let you know. At this time however, we do not think this is the right time. I am sure you can understand this situation.

Once again thank you for your kind note. It is good to be encouraged.

God bless you.

Yours sincerely,

Philip Cairns (Lieut-Colonel)
