JD

DC to write to JD in 2010. Indicating to her that Stan Everitt's account of what happened is different to hers. He feels that it was not a case of misbelieving her. Therefore he will not sign the apology letter. The offers made by The Salvation Army to date stand.

His request was noted and responded to directly on 17/11/09 informing him that we are unable to supply him with any documentation as there nothing available.
