Daphne and I have had a look at James Luthy's letter and his suggestion that a plaque be erected at the Gill.

We think this is a very good idea. We would like to suggest that the idea be referred to the Property Department for consultation with the architects to see where it could best be done at some stage in the future.

I would be happy to follow through on that if you like and to respond to James. I'll wait for your decision.

Many thanks.
