STRICTLY CONFIDENTIAL

14th February, 1990

Captain C. Haggar,  
P.O. Box 157.  
REDACTED

Dear Captain,

Doubtless by now the Divisional Commander has informed you of the arrangements made for accommodation at the Waverley Quarters.

It will be necessary for you to vacate the Quarters by Thursday, 22nd February for the incoming Officers, Lieutenant & Mrs. J. Winterburn. Mrs. Pethybridge will be in touch with you regarding transport of your goods.

Be assured that your successor will know nothing of the circumstances or reason for this move, and you will therefore need to be very circumspect in how you explain your departure.

I am sure you are both disappointed to be leaving your work in REDAC, and we would thank you for all that you have done. However, I know that you also appreciate that Officers are subject to the same disciplines as Soldiers.

The Chief Secretary has also written to you today pointing out that as from Thursday, 22nd February, 1990 you will be required to relinquish Officership rank.

Be assured of our prayerful interest in the coming days.

God bless and guide and strengthen you.

Yours sincerely,

Dudley E. Schoupp  
(Lieut. Colonel)  
FIELD SECRETARY
