Dear Sir/Madam

Re: GA (formerly REDA
CTEP)

Further to our letter to you of 22nd January, 2004 regarding the above I would advise that we have experienced some delay in contacting Major McIver but have now managed to do so.

We have arranged for him to visit an Independent Contact Person to give his response to this statement and are awaiting the outcome.

As soon as this statement is received we will be in contact with you.

Would you please advise Mr Webb of the reasons for this delay.

Yours sincerely,

Margaret Sanz (Major)
