In response to an email from Comm James Condon to all officers, active and retired, several contacted me by phone.

Major Phyllis Riddell phoned. Widow of Robert.

In 1974-75 Bob was manager at home. Was it Riverview? He or one of staff caught X17 in the act of indecency with a boy. Robert told HQ. X17 was dismissed the next day.

She does not know if police were told,

She recalls X17 was a good friends with a man in town who police later investigated.
