Brigadier F. Jennings,
BATHURST.

Dear Brigadier,

CAPTAIN L. WILSON : LITHGOW

I have received a letter from Lt. Colonel G. Peterson, a copy of which I am sending to you.

This letter is self explanatory.

I would be grateful if as soon as possible you would investigate the complaints mentioned in this letter and if they are substantiated I would be glad if you would give guidance to the Captain as your wisdom directs.

In due course please let me have a report on the whole matter.

With warm personal greetings.

Yours sincerely,

FIELD SECRETARY.
