CONFIDENTIAL

17th March, 1982.

Lt.-Colonel I. Cutmore,
FIELD SECRETARY.

Dear Colonel,

re: CAPTAIN L. WILSON

Thank you for your letter of 10th March in reply to correspondence relating to the promotion of Captain L. Wilson.

My only reply is that he is very unhappy since he considers his promotion now due. He maintains that he was told by the Commissioner of the day that his second year in College would be counted as his first year of active service.

If there is a penalty year because of his dismissal, then that should also have appeared on his career card, but there is no such reference.

I have conveyed your message to him and left it with him to contact you if he so desires.

I agree that the 20 year Review will be beneficial to the Captain and his wife, but this is hardly the point if in fact he is now due for his promotion.

Yours sincerely,

Dudley Schoupp
Major
DIVISIONAL COMMANDER
