Lt. Colonel I. Cutmore,
FIELD SECRETARY.

CAPTAIN & MRS. L. WILSON

I have thought about the above named comrades. He has been a considerable problem to the administration almost for the whole of his career. Having said that, both he and his wife have had a contribution of value from time to time. Unless he can provide the necessary certificates regarding his health then please have him advised quite strongly that Sick Leave is not granted. Let us then wait for his next move.
