

Peter Lucas

We should not give  
any information to  
press officers at Barley  
Boys' Home.

Lynden says he doesn't  
get in touch with them  
until they start anything.  
He wants to stay clear.

Peter says Laurie Wilson  
was on their recent Israel  
trip & he heard him say he  
was retired & is a Chaplain  
at Barksdale Hospital.
