 Subject RE: counselling

Hi Daphne

thank you for letting me know about the counselling sessions. I appreciate the consideration both you and the committee have given me. Could you pass that on to them.

I am quite overwhelmed after my first four days!! I don't think my brain can take any more information. But that is apparently to be expected after speaking to one of my teachers on the thursday. I have extremely enjoyed most of my subjects, especially MYOB, although I am not sure about Excel(Spreadsheats), but I'll not let it beat me. I'm very "hungry" to learn everything I can, and acheive my best. There are lots of oppurtuntity for tutorials and help with the fact I only have sight in one eye if needed.

Have you managed to speak will Majors Earle and Christine yet?

I hope things are going well for you!

take care

JG

Hi JG,

Sorry to have kept you waiting. I took your request to the committee last week and now advise 10 more sessions of counselling have been approved for you. I will write to Patricia Young when I'm back in the office next week to let her know. We will take 10 sessions at a time and after a progress report we will decide on further sessions for you.

I am so pleased to know the course has started. How did you find it the first week? Look forward to hearing from you.

Warm regards,
