Introduction

FE [REDACTED] has attended my office on three occasions, 31st January 2006, 14th February 2006 and 28th February 2006, with the purpose of formulating an impact statement. This statement refers to certain abuses he stated he experienced whilst under the care of the Salvation Army

Background

FE [REDACTED] stated he has never met his father. He lived with his mother and stepfather until about the age of 13 or 14 years.

FE [REDACTED] stated he ran away because his stepfather was continually beating him "I kept copping hidings. He would hit mum. Once I picked up a bread knife to protect mum and he flogged me."

After one abusive episode FE [REDACTED] ran away to Manly. He stated he was robbed and he ended up in Manly Police Station. The Police called Captain Wilson from the Salvation Army

FE [REDACTED] stated that about one week later he was sent to the Gill Memorial Boys Home in Goulburn. FE [REDACTED] stated this was termed a voluntary placement. He was there for one month. He was aged 14 years

Abuse Incidents

FE [redacted] detailed two abuse/misconduct incidents.

1. The first is a physical abuse incident perpetrated by **Major Riddell** at the Gill Memorial Boys Home in Goulburn. FE [redacted] recounted an incident where Major Riddell gave him 37 cuts of the cane. He stated that some of these cuts drew blood. This was punishment for swearing at staff and using the word "fuck". FE [redacted] stated he knows there were 37 cuts because he counted them in the locker room with another resident named ET [redacted].

2. The second event is a sexual abuse incident perpetrated on the same day in the Gill Memorial Home Boys Home in Goulburn by **Captain** X17 [redacted].

FE [redacted] stated that he went to bed still sobbing from the cuts. He stated a man known as Captain X17 [redacted] was on duty as the night supervisor. He stated Captain X17 [redacted] came to his bed and told him to come with him to talk. FE [redacted] stated Captain X17 [redacted] took him to a little room at the end of the dormitory. FE [redacted] stated this was the room where the night supervisor slept.

At this point in the interview FE [redacted] became visibly upset and sobbed for several minutes. He was unable to continue and we ended the first interview at this point.

In the second interview FE [redacted] was able to continue

FE [redacted] described the little room at the end of the hallway as a small room with a bed and a wardrobe. He stated Captain X17 [redacted] took him into this room while he was still sobbing.

FE [redacted] stated he remembers Captain X17 [redacted] talking to him, saying things like "God forgives you". FE [redacted] stated that he thought it was probably about 9.30 pm, or later.

FE [redacted] stated Captain X17 [redacted] motioned him to sit on the bed. He stated Captain X17 [redacted] sat next to him on the bed. FE [redacted] stated Captain X17 [redacted] cuddled him, "pulling me in tight".

FE [redacted] stated that Captain X17 [redacted] then started to rub him, at first on his arms and then his legs, running his hands over him. He stated that Captain X17 [redacted] moved his hands to touch FE [redacted]'s inner thigh.

28th February 2006

FE [redacted] stated Captain X17 [redacted] took FE [redacted] pants off and "gave me a head job". FE [redacted] stated that Captain X17 [redacted] performed oral sex on him. FE [redacted] stated Captain X17 [redacted] made him touch Captain X17 [redacted]'s penis through his clothes.

FE [redacted] stated that they ended up lying on the bed, side by side, with FE [redacted] pants off. After the oral sex, FE [redacted] stated Captain X17 [redacted] rubbed his erect penis up and down on FE [redacted] bare buttocks. Captain X17 [redacted] still had his pants on.

FE [redacted] stated Captain X17 [redacted] kept on touching him and "rubbing me all over." He stated that throughout the entire time in that room Captain X17 [redacted] kept talking about God and forgiveness.

FE [redacted] stated he was very distressed and scared throughout the incident and wanted to get out of the room. He kept asking Captain X17 [redacted] if he could go. It was only when FE [redacted] started to urinate in the bed that Captain X17 [redacted] let him go, warning him not to tell anyone what had happened.

FE [redacted] stated that after this event Captain X17 [redacted] was always trying to approach him, so he ran away. This was several weeks later. He was quickly picked up by the Police and sent to the Alternative Centre in Wahroonga. By age 16 FE [redacted] ended up on the streets of King's Cross.

Yours sincerely,
