Pam,

Last year when Commissioner Morgan was dealing with [FV] (former Bexley Boy) there were two letters one from Malcolm Davies to the TC challenging him for taking the action and one back to Malcolm from the TC stating that Malcolm needed to hear that he Malcolm was not running the SA.

I really need copies of those 2 letters urgently. Would you have a file holding the [FV] case ? I can go to the PICC files if necessary (hoping my Secretary at the time filed them, just kidding !)

I am heading off Monday PM to Collaroy hence the urgency. Your help would be appreciated.

Many thanks

Merv
