Dear John,

Here is some additional information regarding GB

1. The Department of Families in Queensland list GB as being at Indooroopilly from 28th March 1973 to 11th May 1973. This is confirmed by the admissions registrar for Indooroopilly State High School which have GB admitted on 28th March 1973. So Don Schultz was there when GB arrived, but GB was not there for very long.
2. I'm attaching copies of the service records for Schultz and Wilson.
3. Schultz confirms that he was the first aid officer and did work at the swimming pool.
4. Wilson was brought to trial on 3rd April 2000. The case concluded on 11th May 2000 and he was found not guilty on all charges.
5. We have another claim against him for sexual abuse in front of us now.

Many thanks for your help.

Yours sincerely,

Peter Farthing (Major)
