

20th November 1957

Pro. Lieut. D. Osborne
Bayswater.

Dear Lieutenant,

This will confirm our conversation of last evening respecting your transferr to Box Hill Boy's Home.

Attached, please find Farewell and Marching Orders these are dated 21st, being the nearest Thursday to the date we would like you to move from Bayswater.

We would like to thank you for your work and loyalty whilst at Bayswater Boy's, there is no doubt you have given a contribution to this place, it is recognized that such is not easy with the type of lad in the Home.

You will find Senior Major & Mrs. Theaker helpful people, interested in their work also in the Staff. Whilst you will still be working amongst boys, they are younger in the main, and of a different type, altho. as you know most boys are the same in many ways.

Because of the situation at Box Hill we are anxious for you to arrive there at the very earliest, maybe Major right has spoken to you about this matter.

May God Bless You Abundantly,

Yours Sincerely,

Roy Darlow (Brigadier)
T.M.S.S.
