ACTING CHIEF SECRETARY.

Returned to the Honourable the Chief Secretary.

A special meeting of the Children's Welfare and Public Relief
Board was held on Tuesday, the 5th instant, when Colonel Johnson
from Headquarters of Salvation Army in Melbourne, Brigadier Wiffen,
the South Australian Social Services Officer, and Brigadier Harewood
attended. The meeting lasted for two hours, when the Board decide
to defer consideration of the matter until the next ordinary meetin
on Thursday, the 7th instant.

At the meeting on the 7th it was decided "that after due
consideration of the matters put forward by the Salvation Army
Authorities the Board, being aware of the good work done in past
years at the Probationary School at Wistow, is still of opinion tha
it is its unpleasant duty to recommend the Government in terms of t
minute of the 24th July, 1941."
