Dear Sir,

This communication with you is in connection with
the above named children in our care.

Firstly, ~~Steven David Grant~~ has been discharged 30-9-72
and by agreement acknowledged in a letter dated 29th July 1972
ref. TTF/BW from the Department. I do not seek recovery of any
amount owing to the Home for Steven Grant maintenance, however I do
want the Department to take action on behalf of the Home to recover
any amount owing and also for future maintenance of REDACTED

Obviously the father has neglected to make payments to
the Department as he agreed he would and as there is now only one
child in our Home here, he should have less difficulty to meet
this commitment.

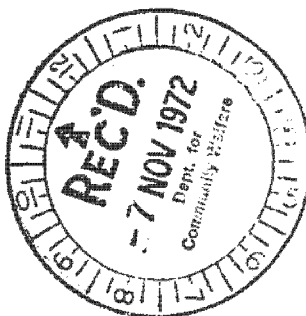

Trust you will be able to enforce this commitment.

Thank you,

Yours sincerely,

CAPTAIN
