Dear Mrs BMM

Thank you for forwarding a further copy of your letter to me of 25 May 2000.

The Salvation Army does consider all matters like you have raised with a great deal of seriousness and your letter was passed through to the Officer delegated to handle such matters.

It does need to be noted that your letter refers to circumstances in South Australia and it is necessary for this to be handled from the administrative office responsible for South Australia which is based in Melbourne.

A further copy will be forwarded and we will seek a response for you.

Thank you for writing to us.

Yours sincerely,

Colin V. Lingard (Major)
Public Relations Secretary
