Dear Mrs BMM

**Eden Park Childrens Home**

We act for the Salvation Army Australia Southern Territory. Your letter to Major Colin Lingard and a copy of the reply from Lieutenant Colonel Brian Hood have been provided to us.

Our instructions from the Salvation Army are to investigate your friends complaint in a compassionate and caring manner and to provide practical help to persons who claim to have suffered abuse. Accordingly, could you please pass this letter to John and request that he contact Philip Brewin of our office via the telephone or letter to enable us to make arrangements to interview John with a view to obtaining a detailed statement from him concerning his experiences at Eden Park.

Yours faithfully
